Petition of mercy      Frieda Walter.

I, Frieda WALTER was born on 1.3.1922 at Benthen/Silesia. I worked 8 years in the war industry and became 1944 civil employee in the SS; The front coming nearer, our camp was disbanded. On 28.2.45, my office send me to Bergen-Belsen. Here I was arrested from Brit. Forces on 17.4.45. The time from 17.4.45 til 17.11.45 was not put to my account. I therefore request, to remit ~~me~~ a part of my sent., as I served already half of my time. During my internment in the camp I was forced to carry dead bodies and got spotted fever. Carrying dead bodies, I was beaten by the Brit. guards with rifle butts and bayonette pricks. I beg to consider this treatment in the camp Belsen as punishment, as I only was a short time in the ~~xxxx~~ SS. I lost all my belongings. My watch and bank saving book was confiscated by my arrest. During my 6 weeks service at Behlsen I did not

become acquainted with the whole camp. By the bad economic situation and the poor position I held in the camp, I could not do anything for the relief of the prisoners. I beg again for a review and release by way of an act of mercy.

sgd: Frieda WALTER.
